Dear Adarsh

Namaste! Greetings from Chinmaya Vishwavidyapeeth, in India.

It is with gratitude that I acknowledge the donation of \$700 on 15th July 2021 made to our partner organization CORDUSA.

I confirm that this donation is intended for use for scholarships for underprivileged students at Chinmaya Vidyalyayas in India.

Please convey our thanks to the Board of the Sprouting Youth Foundation. I also understand that you and your brother conduct several programs for raising money for charitable purposes in India and the US. I congratulate you for your service spirit.

When you do travel to India, please do include Kochi, Kerala in your itinerary so you can see what is happening at the University as well.

Thank You, once again
